

ASTROLOGY DELIVERY

2025 CALENDAR

Astrology Delivery is the new, research powered way to receive some, or all, of what you want. It uses the oldest timing system in the world - your horoscope. On the dates below, write or sketch your booking in a journal. Play Pink Noise on YouTube to help your Sixth Sense or E.S.P. then select one Tarot card from my website, to reveal the gateway to what you want.

Repeat the list, modify it or even replace it, on every following date in your journal and draw a new card every time, which shows the way through, until the next booking date. Allow 24 hours either side for world time zone differences.

The booking window offers you something different from life, every time. It may be a new job. A new boyfriend. A new home. Your Sun Sign or solar chart will show you what is possible for you. Overlapping transits are like overlapping waves. Catch them and take a unique journey.
